### Sues for \$10,000.

Hillsboro, Ore.—A. J. Cook has  
filed in circuit court an action  
against the Forest Grove Planing

juries claimed to have been incurred  
by a large pile of lumber falling  
upon plaintiff, breaking his leg and  
otherwise injuring him. The claim

## THE TOLEDO BLADE

TOLEDO, OHIO.

The Best Known Paper in the United  
States.

CIRCULATION 240,000.

Popular in Every State.

No Whiskey Advertising.

The seventy-eighth year of its ex-  
istence finds the Toledo Blade more  
popular than at any period during  
its long and successful career. It is  
read each week by more than a mil-  
lion people. The Blade's field is na-  
tional and it goes into every state  
and territory in the United States,  
thereby giving it an unquestionable  
right of claiming to be the greatest  
national weekly newspaper published  
in America.

The Weekly Blade is distinctly a  
family newspaper. The one object of  
its publishers has always been to  
make it for the American home, for  
the fireside, and of interest to every  
member of the family. To fulfill this  
purpose it is kept clean and whole-  
some. The news of the world is han-  
dled in a comprehensive manner, and  
the various departments of The Blade  
are edited with painstaking care.  
The Household page is a delight to  
the women and children; current af-  
fairs are treated editorially without  
prejudice; the serial stories are se-  
lected with the idea of pleasing the  
greatest number of fiction lovers;  
the Question Bureau is a scrap-book  
of information; the Farmstead col-  
umns are conducted with the purpose  
of giving the patrons a medium for  
the exchange of ideas and informa-  
tion on farm topics. No department  
is neglected, but every feature is tak-  
en care of with the idea of making  
The Blade worth many times the  
price of subscription—one dollar a  
year.

### LOW RATE TO BE DROPPED.

Two of Pacific Coast Lines Would  
Discontinue Home-seekers' Fares.

Chicago.—A plan is being consid-  
ered by the California terminal rail-  
roads to abolish home-seekers' fares  
to points in that state which have  
been in effect every first and third  
Tuesday of every month from Chi-  
cago and other cities since last  
spring.

The roads involved are the South-  
ern Pacific, Santa Fe and Western  
Pacific. Under an arrangement per-  
fected last spring, a home-seekers'  
round trip fare of \$65 was offered  
from Chicago and a similar fare of  
\$55 from Missouri river points. Both  
the Santa Fe and Southern Pacific  
it is understood, are desirous of dis-  
continuing the arrangement after the  
end of the present year, which was  
designated in the understanding  
reached last spring as the time limit  
for offering these low rates.

On the other hand, the Western  
Pacific is urging that the fares be  
continued in effect indefinitely. Of-  
ficials of the three roads now have  
the subject under advisement.

Few, if any, medicines have met  
with the uniform success that has at-  
tended the use of Chamberlain's  
Colic, Cholera and Diarrhoea Rem-  
edy. The remarkable cures of colic  
and diarrhoea which it has effected  
in almost every neighborhood have  
given it a wide reputation. For sale  
by Poley's Drug Store.
